Error starting ApplicationContext. To display the conditions report re-run your application with 'debug' enabled.
2022-09-24 23:37:40.475 ERROR 8472 --- [restartedMain] o.s.b.d.LoggingFailureAnalysisReporter :

*****
APPLICATION FAILED TO START
*****

Description:

Web server failed to start. Port 8080 was already in use.

Action:

Identify and stop the process that's listening on port 8080 or configure this application to listen on another port.
```
